We are closed for Victoria Day a statutory holiday May 19. All stat holidays need to be included in your payments for the children that normally attend on that day. Thank you. Most of our children will continue attending in the summer months. For those not attending please let us know as soon as possible. With your information this allows us to prepare our summer scheduling. Please remember if your child is leaving for the summer and you wish us to save your child's spot 50% is needed to hold that spot. This will guarantee your child space in Sept..

This is for our Nemo and Jiminy Cricket rooms only. Registration is required asap. \$50.00 reg. fee applies and needs to accompany your child's information. Remember spaces are limited. Sunscreen forms are going out to you. Please fill out and return them to us asap. Clean inside footwear for your child and a sun hat is also needed. It's time to tidy up your child's cubby area. Make sure your child is using their hook not someone else's. (That way lice is less likely to spread.) Please take home your child's winter clothing. Your child's art work needs to go home. Respect for your child's wonderful wonders is very important. Talk with your child about their work, and let them know how much you appreciate what they have done. Makes them feel awesome!
